Blueberry Lemon Thyme Smash - Half Baked Harvest

Ingredients

2 tablespoons fresh or frozen blueberries, plus more for topping
1/2 teaspoons fresh thyme leaves, plus a sprig for serving
juice from half of a lemon
2 tablespoons blueberry or blackberry jam
1 1/2 ounces bourbon or tequila
1/2 ounce elderflower liquor (St. Germain)
sparkling water for topping

LEMON SUGAR (OPTIONAL)

zest of 1 lemon
2 tablespoons granulated sugar
1 teaspoon chopped thyme leaves

Process

To make the lemon sugar: Combine the lemon zest, sugar, and thyme on a shallow plate. Rim your glasses in sugar, then fill with ice.

In a cocktail shaker or glass jar, muddle the blueberries, thyme, and lemon juice, squashing everything to release the juices. Add the jam, bourbon, and elderflower liquor. Fill with ice and shake until combined.

Strain into your prepared glass. Top off with sparkling water, then gently stir to combine.
