Simple Lemony Feta and Mascarpone Pasta with Grilled Asparagus. - Half Baked Harvest

Ingredients

1 pound long cut pasta I used Diada De Laurentiis Pasta from Target
1 large bunch asparagus ends trimmed
1 tablespoon olive oil
salt and fresh black pepper to taste
2 tablespoons unsalted butter
8 ounces mascarpone cheese may sub cream cheese if needed
1 cup heavy cream
2 cups milk I used 2%
8 ounces feta cheese finely crumbled or grated
1/4 cup fresh lemon juice
1 teaspoon freshly grated lemon zest
pinch of crushed red pepper optional
1/4 cup flat leaf parsley chopped

Process

Bring a large pot of water to a boil. Boil the pasta according to package directions until al dente. Drain.

Preheat your grill to high heat. Place the asparagus in a baking dish, coat with olive oil and sprinkle salt and pepper over them. Grill the asparagus spears for 5-10 minutes, until nicely charred and just fork tender, turning them every few minutes so that they brown relatively evenly. Remove and chop into thirds.

Alternately, you may roast the asparagus by preheating the oven to 400 degrees. Place the asparagus in a roasting pan or on a baking sheet and toss with the 1 tablespoon olive oil, salt and pepper. Roast in the preheated oven for 25-30 minutes or until tender and crisp. Remove and chop into thirds.

Heat a large skillet with high sides over medium-high heat, add the butter, cream, milk, and mascarpone and feta cheeses. Bring to a boil and simmer until smooth and creamy, about 5 minutes. Add the lemon juice, lemon zest, crushed red pepper and a good pinch of pepper, whisking until the cheese has fully melted. Simmer the sauce 3-5 minutes until the sauce is smooth and creamy. Add the pasta and asparagus to the sauce and toss well. Cook another 1-2 minutes to warm through. Add the parsley and toss. Serve immediately with fresh feta or parmesan.

RECIPE NOTES

If your skillet is not big enough to toss the pasta in transfer everything to a large pot or serving bowl and toss well.
